Neighbors

Be nice to the neighbors! DO NOT trespass on private property. We also ask that you do not walk in the streets/roads. Make use of the fire lanes in the fields and the crosswalk at 456 and 284. Failure to stay out of the neighbors properties or walking on the public roads could result in you being asked to leave the festival and or being cited by the local authorities.

Trash

Help us keep Creation green and clean. Bringing all bagged trash to dumpsters sites daily or place at the end of your row.
